- (1) not reduce the Hotel Occupancy Tax and not decrease its rates, as fixed in the Occupancy Tax Act;
- (2) not eliminate or reduce the Hotel Occupancy Tax to an amount lower than that established in the Occupancy Tax Act, or eliminate or reduce the rates of the tax fixed in the Hotel Occupancy Tax;
- (3) make sure that the amounts that must be deposited in the Pledge Account as set forth in the Trust Agreement, are deposited in the accounts as provided in the Trust Agreement, and

The Trustee shall keep, on behalf of the Authority, the records for the registration and transfer of the Bonds, and shall transfer the Bonds in authorized denominations of \$5,000 in amount or any integral multiples thereof as provided in the Trust Agreement. The Trustee may require the payment, by the registered owner of any Bond requesting exchange or transfer, of any reasonable charges as well as any taxes, transfer fees or other governmental charges required to be paid with respect to such exchange or transfer. The Trustee shall not be required to transfer or exchange (i) all or any portion of any Bond during the period beginning at the opening of business 15 days before the day of the mailing by the Trustee of notice calling any the Bonds for prior redemption and ending at the close of business on the day of such mailing, or (ii) all or any portion of a Bond after the mailing of notice calling such Bond or any portion thereof for prior redemption.

Additional Hotel Occupancy Tax Revenue Bonds that are payable from the Trust Estate on a parity with the Bonds may be issued without the consent of the registered owners of the Bonds as provided in the Trust Agreement. Also, the Trust Agreement may be amended or supplemented from time-to-time with or without the consent of the registered owners of the Bonds as provided in the Trust Agreement.

 - (4) Notwithstanding any other provision of this First Supplemental Trust Agreement, in determining whether the rights of the Ambac Owners will be adversely affected by any action taken pursuant to the terms and provisions of this First Supplemental Trust Agreement, the Trustee shall consider the effect on the Ambac Owners as if there were no Ambac Policy.
 - (5) Notwithstanding any other provision of this First Supplemental Trust Agreement, no removal, resignation or termination of the Trustee shall take effect until a successor, acceptable to Ambac, shall be appointed.
- (s) To the extent that this First Supplemental Trust Agreement confers upon or gives or grants to Ambac any right, remedy or claim under or by reason of this First Supplemental Trust Agreement, Ambac is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.
- (t) Nothing in this First Supplemental Trust Agreement expressed or implied is intended or shall be construed to confer upon, or to give or grant to, any person or entity, other than the Authority, the Trustee, Ambac Assurance, and the Ambac Owners, any right, remedy or claim under or by reason of this First Supplemental Trust Agreement or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this First Supplemental Trust Agreement contained by and on behalf of the Authority shall be for the sole and exclusive benefit of the Authority, the Trustee, Ambac Assurance and the Ambac Owners.

(c) CIFG shall have the right to receive such additional information as it may reasonably request.

(d) The Authority will permit CIFG to discuss the affairs, finances and accounts of the Authority or any information CIFG may reasonably request regarding the security for the Series A Bonds with appropriate officers of the Authority, and will grant CIFG access to the facilities, books and records of the Authority on any business day upon reasonable prior notice.

(e) CIFG shall have the right to direct an accounting at the Authority's expense and the Authority's failure to comply with such direction within thirty (30) days after written notice of the direction from CIFG shall be deemed a default hereunder.

(f) In the event that the principal and/or interest due on the CIFG Insured Bonds shall be paid by CIFG pursuant to the CIFG Policy, the CIFG Insured Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Authority, and the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Authority to the CIFG Owners shall continue to exist and shall run to the benefit of CIFG, and CIFG shall be subrogated to the rights of such CIFG Owners including, without limitation, any rights that such CIFG Owners may have in respect of securities law violations arising from the offer and sale of the CIFG Insured Bonds.

In addition, in the event of a defeasance CIFG shall be provided with the following items:

- (1) An opinion that refunding and defeasance will not adversely impact the exclusion from gross income for federal income tax purposes of interest on the CIFG Insured Bonds or refunded bonds.
- (2) The escrow agreement in connection with a defeasance which shall provide that:
 - a. Any substitution of securities shall require a CPA verification and the prior written consent of CIFG.
 - b. The Authority will not exercise any optional redemption of CIFG Insured Bonds secured by the escrow agreement or any other redemption other than mandatory sinking fund redemptions unless (i) the right to make any such redemption has been expressly reserved in the escrow agreement and such reservation has been disclosed in detail in the official statement for the refunding bonds, and (ii) as a condition of any such redemption there shall be provided to CIFG a CPA verification as to the sufficiency of escrow receipts without reinvestment to meet the escrow requirements remaining following such redemption.
 - c. The Authority shall not amend the escrow agreement or enter into a forward purchase agreement or other agreement with respect to rights in the escrow without the prior written consent of CIFG.

In addition, all of the documents and requirements set forth in this Section 16(f) as a condition of future defeasance of the CIFG Insured Bonds.

- (g) CIFG shall receive prior written notice of any name change of the trustee (the "Trustee") for the CIFG Insured Bonds or the resignation or removal of the Trustee.
- (h) No removal, resignation or termination of the Trustee shall take effect until a successor, acceptable to CIFG, shall be appointed.
- (i) With respect to amendments or supplements to the financing documents which do not require the consent of the CIFG Owners, CIFG must be given notice of any such amendments or supplements. With respect to amendments or supplements to the financing documents which require the consent of the CIFG Owners, CIFG's prior written consent is required. All financing documents must contain a provision that requires copies of any amendments or supplements to such documents which are consented to by CIFG shall be sent to the rating agencies which have assigned a rating to the Series A Bonds. Notwithstanding any other provision of the financing documents, in determining whether the rights of the CIFG Owners, will be adversely affected by any action taken pursuant to the terms and provisions of any financing document, the Trustee shall consider the effect on the CIFG Owners, as if there were no CIFG Policy.
- (j) To the extent that this First Supplemental Trust Agreement confers upon or gives or grants to CIFG any right, remedy or claim, CIFG is explicitly recognized as being a

third party beneficiary thereunder and may enforce any such right, remedy or claim conferred, given or granted thereunder.

(k) Any provision set forth herein expressly recognizing or granting rights in or to CIFG may not be amended in any manner which affects the rights of CIFG thereunder without the prior written consent of CIFG.

(l) Any provision of the Master Trust Agreement or the First Supplemental Trust Agreement requiring the consent of the Owners, shall also require CIFG's consent.

(m) Any reorganization or liquidation plan with respect to the Authority must be acceptable to CIFG. In the event of any reorganization or liquidation, CIFG shall have the right to vote on behalf of all CIFG Owners absent a default by CIFG under the CIFG Policy.

(n) Anything in a financing document to the contrary notwithstanding, upon the occurrence and continuance of an event of default as defined therein, CIFG shall be entitled to control and direct the enforcement of all rights and remedies granted to the CIFG Owners or the Trustee for the benefit of the CIFG Owners under any financing document.

(o) With respect to the payment procedure under the CIFG Policy:

(1) In the event that on the second (2nd) business day prior to the payment date on the CIFG Insured Bonds, the Trustee has not received sufficient moneys to pay all principal of and interest on the CIFG Insured Bonds due on the second (2nd) following business day, the Trustee shall immediately notify CIFG or its designee on the same business day by telephone or electronic mail, confirmed in writing by registered or certified mail, of the amount of the deficiency.

(2) If any deficiency is made up in whole or in part prior to or on the payment date, the Trustee shall so notify CIFG or its designee.

(3) In addition, if the Trustee has notice that any CIFG Owners has been required to disgorge payments of principal or interest on the CIFG Insured Bonds pursuant to a final non-appealable order by a court of competent jurisdiction that such payment constitutes an avoidable preference to such CIFG Owners within the meaning of any applicable bankruptcy laws, then the Trustee shall notify CIFG or its designee of such fact by telephone or electronic mail, confirmed in writing by registered or certified mail.

(4) The Trustee shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for CIFG Owners, as follows:

a. If there is a deficiency in amounts required to pay interest on the CIFG Insured Bonds, the Trustee shall (i) execute and deliver to CIFG, in form satisfactory to CIFG, an instrument appointing CIFG as agent for such CIFG Owners in any legal proceeding related to the payment of and an assignment to CIFG of the claims for interest on the

CIFG Insured Bonds, (ii) receive as designee of the respective CIFG Owners in accordance with the tenor of the CIFG Policy payment from CIFG with respect to the claims for interest so assigned, and (iii) disburse the same to such respective CIFG Owners; and

b. - (5) Payments with respect to claims for interest on and principal of CIFG Insured Bonds disbursed by the Trustee from proceeds of the CIFG Policy shall not be considered to discharge the obligation of the Authority with respect to such CIFG Insured Bonds, and CIFG shall become the owner of such unpaid CIFG Insured Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.
- (6) Irrespective of whether any such assignment is executed and delivered, the Authority and the Trustee shall agree for the benefit of CIFG that:
 - a. They recognize that to the extent CIFG makes payments directly or indirectly, on account of principal of or interest on the CIFG Insured Bonds, CIFG will be subrogated to the rights of such CIFG Owners to receive the amount of such principal and interest from the Authority, with interest thereon as provided and solely from the sources stated in the financing documents and the CIFG Insured Bonds; and
 - b. They will accordingly pay to CIFG the amount of such principal and interest, with interest thereon as provided in the financing documents and the CIFG Insured Bonds, but only from the sources and in the manner provided herein for the payment of principal of and interest on the CIFG Insured Bonds to Owners thereof, and will otherwise treat CIFG as the owner of such rights to the amount of such principal and interest.
- (7) The Authority shall agree to pay or reimburse CIFG any and all charges, fees, costs and expenses which CIFG may reasonably pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants and auditors and reasonable costs of investigations, in connection with (i) any accounts established to facilitate payments under the CIFG Policy, (ii) the administration, enforcement, defense or preservation of any rights in respect of the Master Trust Agreement, this

- (8) In addition to any and all rights of reimbursement, subrogation and any other rights pursuant hereto or under law or in equity, the Authority shall agree to pay or reimburse CIFG any and all charges, fees, costs, claims, losses, liabilities (including penalties), judgments, demands, damages, and expenses which CIFG or its officers, directors, shareholders, employees, agents and each Person, if any, who controls CIFG within the meaning of either Section 15 of the Securities Act of 1933 or Section 20 of the Securities Exchange Act of 1934 may reasonably pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants and auditors and reasonable costs of investigations, of any nature in connection with, in respect of or relating to the transactions contemplated by this agreement or any other financing document by reason of:
 - a. any omission or action (other than of or by CIFG) in connection with the offering, issuance, sale, remarketing or delivery of the CIFG Insured Bonds;
 - b. the negligence, bad faith, willful misconduct, misfeasance, malfeasance or theft committed by any director, officer, employee or agent of the Authority in connection with any transaction arising from or relating to this agreement or any other financing document;
 - c. the violation by the Authority of any law, rule or regulation, or any judgment, order or decree applicable to it;

d. the breach by the Authority of any representation, warranty or covenant under this agreement or any other financing document or the occurrence, in respect of the Authority, under this agreement or any other financing document of any "event of default" or any event which, with the giving of notice or lapse of time or both, would constitute any "event of default"; or

e. any untrue statement or alleged untrue statement of a material fact contained in any official statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such claims arise out of or are based upon any untrue statement or omission in information included in an official statement and furnished by CIFG in writing expressly for use therein.

- (9) CIFG shall be entitled to pay any amount payable under the CIFG Policy in respect of Regular Payments (as defined in the CIFG Policy) on the CIFG Insured Bonds, including any amount payable upon its election on the CIFG Insured Bonds on an accelerated basis, whether or not any notice and certificate shall have been Received (as defined in the CIFG Policy) by CIFG as provided in the CIFG Policy.
- (p) The following statement will be attached to the CIFG Insured Bonds:

CDC IXIS Financial Guaranty North America, Inc. ("CIFG NA"), New York, New York, has delivered its financial guaranty insurance policy (the "Policy") with respect to the scheduled payments of principal of and interest on this Bond as described hereinbelow to Trustee or its successor, as trustee (the "Trustee") for the Puerto Rico Convention District Authority. Said Policy is on file and available for inspection at the principal office of the Trustee and a copy thereof may be obtained from CIFG NA or the Trustee.

Section 17. The Financial Guaranty Insurance Company, a New York stock insurance company, or any successor thereto ("FGIC"), is providing insurance for the Series A Bonds maturing in 2021, 2022, 2023, 2024, 2025 and 2026 (the "FGIC Insured Bonds") pursuant to the municipal bond new issue insurance policy issued by FGIC that guarantees payment of principal and interest on the FGIC Insured Bonds (the "FGIC Policy"). The following provisions are hereby made applicable with respect to the FGIC Insured Bonds:

- (a) In determining whether a payment default has occurred or whether a payment on the FGIC Insured Bonds has been made under the Trust Agreement, no effect shall be given to payments made under the FGIC Policy.

(b) Any acceleration of the Bonds or any annulment thereof shall be subject to the prior written consent of FGIC (if it has not failed to comply with its payment obligations under the FGIC Policy).

(c) FGIC shall receive immediate notice of any payment default and notice of any other default known to the Trustee or the Authority within 30 days of the Trustee's or the Authority's knowledge thereof.

(d) For all purposes of the Trust Agreement provisions governing events of default and remedies, except the giving of notice of default to Owners of FGIC Insured Bonds, FGIC shall be deemed to be the sole holder of the FGIC Insured Bonds for so long as it has not failed to comply with its payment obligations under the FGIC Policy.

(e) The provisions of the Trust Agreement permitting the Trustee to waive any event of default with respect to the FGIC Insured Bonds, shall be subject to the prior written consent of FGIC.

(f) FGIC shall be included as a party in interest and as a party entitled to (i) notify the Authority, the Trustee, or any applicable receiver of the occurrence of an event of default and (ii) request the Trustee or receiver to intervene in judicial proceedings that affect the Bonds or the security therefor. The Trustee or receiver shall be required to accept notice of default from FGIC.

(g) Any amendment or supplement to the Trust Agreement or any other principal financing documents shall be subject to the prior written consent of FGIC. Any rating agency rating the FGIC Insured Bonds must receive notice of each amendment and a copy thereof at least 15 days in advance of its execution or adoption. FGIC shall be provided with a full transcript of all proceedings relating to the execution of any such amendment or supplement.

(h) No resignation or removal of the Trustee shall become effective until a successor has been appointed and has accepted the duties of Trustee. FGIC shall be furnished with written notice of the resignation or removal of the Trustee and the appointment of any successor thereto.

(i) Only cash, direct non-callable obligations of the United States of America and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, to which direct obligation or guarantee the full faith and credit of the United States of America has been pledged, Refcorp interest strips, CATS, TIGRS, STRPS, or defeased municipal bonds rated AAA by S&P or Aaa by Moody's (or any combination of the foregoing) shall be used to effect defeasance of the FGIC Insured Bonds unless FGIC otherwise approves. In the event of an advance refunding, the Authority shall cause to be delivered a verification report of an independent nationally recognized certified public accountant. If a forward supply contract is employed in connection with the refunding, (i) such verification report shall expressly state that the adequacy of the escrow to accomplish the refunding relies solely on the initial escrowed investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the applicable escrow agreement shall provide that in the event of any

discrepancy or difference between the terms of the forward supply contract and the escrow agreement (or the authorizing document, if no separate escrow agreement is utilized), the terms of the escrow agreement or authorizing document, if applicable, shall be controlling.

(j) Any Swap provider with respect to the FGIC Insured Bonds must be rated at least A-/A3 or better by Standard & Poor's and Moody's (the "Initial Rating Requirement"). Assuming satisfaction of the Initial Rating Requirement, and thereafter as long as the long term indebtedness of the Swap provider or the claims paying ability of the Swap provider does not fall below Baa2 or BBB by either Standard & Poor's or Moody's (the "Minimum Rating Requirement"), all interest rate assumptions for purposes of establishing or demonstrating compliance with a financial covenant (e.g., rate covenant, reserve requirement, additional bonds test, asset transfer test, etc.) may be based upon the synthetic fixed interest rate under the Swap.

(k) FGIC shall be provided with the following:

- (1) Notice of the redemption, other than mandatory sinking fund redemption, of any of the FGIC Insured Bonds, or of any advance refunding of the FGIC Insured Bonds, including the principal amount, maturities and CUSIP numbers thereof;
- (2) Notice of the downgrading by any rating agency of the Authority's underlying public rating, or the underlying rating on the Bonds or any parity obligations, to "noninvestment grade";
- (3) Notice of any drawing on any debt service reserve fund securing the FGIC Insured Bonds;
- (4) Notice of any material events pursuant to Rule 15c2-12 under the Securities Exchange Act of 1934, as amended; and
- (5) Such additional information as FGIC may reasonably request from time to time.

(l) The Authority shall pay or reimburse FGIC for any and all charges, fees, costs, and expenses that FGIC may reasonably pay or incur in connection with the following: (i) the administration, enforcement, defense, or preservation of any rights or security under the Trust Agreement or under any other transaction document; (ii) the pursuit of any remedies under the Trust Agreement, under any other transaction document, or otherwise afforded by law or equity, (iii) any amendment, waiver, or other action with respect to or related to this agreement or any other transaction document whether or not executed or completed; (iv) the violation by the Authority of any law, rule, or regulation or any judgment, order or decree applicable to it; (v) any advances or payments made by FGIC to cure defaults of the Authority under the transaction documents; or (vi) any litigation or other dispute in connection with this agreement, any other transaction document, or the transactions contemplated hereby or thereby, other than amounts resulting from the failure of FGIC to honor its payment obligations under the FGIC Policy. FGIC reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver, or consent proposed in respect of this agreement or any other transaction document. The obligations of the Authority to FGIC shall survive discharge and termination of this agreement.

(m) The following claim procedures shall be followed with respect to the FGIC Insured Bonds:

- (1) If, on the third day preceding any interest payment date for the Bonds there is not on deposit with the Trustee sufficient moneys available to pay all principal of and interest on the Bonds due on such date, the Trustee shall immediately notify FGIC and U.S. Bank Trust National Association, New York, New York or its successor as its Fiscal Agent (the "Fiscal Agent") of the amount of such deficiency. If, by said interest payment date, the Issuer has not provided the amount of such deficiency, the Trustee shall simultaneously make available to FGIC and to the Fiscal Agent the registration books for the Bonds maintained by the Trustee. In addition:
 - a. The Trustee shall provide FGIC with a list of the Bondholders entitled to receive principal or interest payments from FGIC under the terms of the FGIC Policy and shall make arrangements for FGIC and its Fiscal Agent (1) to mail checks or drafts to Bondholders entitled to receive full or partial interest payments from FGIC and (2) to pay principal of the Bonds surrendered to the Fiscal Agent by the Bondholders entitled to receive full or partial principal payments from FGIC; and
 - b. The Trustee shall, at the time it makes the registration books available to FGIC pursuant to (i) above, notify Bondholders entitled to receive the payment of principal of or interest on the Bonds from FGIC (1) as to the fact of such entitlement, (2) that FGIC will remit to them all or part of the interest payments coming due subject to the terms of the FGIC Policy, (3) that, except as provided in paragraph (b) below, in the event that any Bondholder is entitled to receive full payment of principal from FGIC, such Bondholder must tender his Bond with the instrument of transfer in the form provided on the Bond executed in the name of FGIC, and (4) that, except as provided in paragraph (b) below, in the event that such Bondholder is entitled to receive partial payment of principal from FGIC, such Bondholder must tender his Bond for payment first to the Trustee, which shall note on such Bond the portion of principal paid by the Trustee, and then, with an acceptable form of assignment executed in the name of FGIC, to the Fiscal Agent, which will then pay the unpaid portion of principal to the Bondholder subject to the terms of the FGIC Policy.
- (2) In the event that the Trustee has notice that any payment of principal of or interest on a Bond has been recovered from a Bondholder holding a FGIC Insured Bond pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee shall, at the time it provides notice to FGIC, notify all Bondholders holding FGIC Insured Bonds that in the event that any Bondholder's payment is so recovered, such Bondholder will be entitled to payment from FGIC to the extent of such

recovery, and the Trustee shall furnish to FGIC its records evidencing the payments of principal of and interest on the Bonds which have been made by the Trustee and subsequently recovered from Bondholders, and the dates on which such payments were made.

(3) FGIC shall, to the extent it makes payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the FGIC Policy and, to evidence such subrogation, (i) in the case of subrogation as to claims for past due interest, the Trustee shall note FGIC's rights as subrogee on the registration books maintained by the Trustee upon receipt from FGIC of proof of the payment of interest thereon to the Bondholders of such Bonds and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note FGIC's rights as subrogee on the registration books for the Bonds maintained by the Trustee upon receipt of proof of the payment of principal thereof to the Bondholders of such Bonds. Notwithstanding anything in this authorizing document or the Bonds to the contrary, the Trustee shall make payment of such past due interest and past due principal directly to FGIC to the extent that FGIC is a subrogee with respect thereto.

(n) The Authority may not purchase the FGIC Bonds, either outright or in lieu of redemption, for purposes other than retiring the FGIC Bonds. Notwithstanding any other provision in the Trust Agreement, this covenant shall survive the expiration of this commitment and shall be applicable so long as the FGIC Bonds remain Outstanding.

(o) Any Credit Facility provided in lieu of a cash deposit into the Debt Service Reserve Fund, other than one provided by FGIC, shall conform to the provisions required by FGIC.

(p) Notice of any redemption of FGIC Insured Bonds shall either (i) explicitly state that the proposed redemption is conditioned on there being on deposit in the applicable fund or account on the redemption date sufficient money to pay the full redemption price of the Bonds to be redeemed, or (ii) be sent only if sufficient money to pay the full redemption price of the FGIC Insured Bonds to be redeemed is on deposit in the applicable fund or account.

(r) The following statement will be attached to the FGIC Insured Bonds:

Financial Guaranty Insurance Company ("Financial Guaranty") has issued a policy containing the following provisions with respect to the FGIC Insured Bonds maturing in the years 2021 to and including 2026 (the "FGIC Insured Bonds"), such policy being

on file at the principal office of Trustee, as Paying Agent (the "Trustee"):

Financial Guaranty hereby unconditionally and irrevocably agrees to pay for disbursement to the Bondholders that portion of the principal or accreted value (if applicable) of and interest on the FGIC Insured Bonds which is then due for payment and which the issuer of the FGIC Insured Bonds (the "Issuer") shall have failed to provide. Due for payment means, with respect to principal or accreted value (if applicable), the stated maturity date thereof, or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which the payment of principal or accreted value (if applicable) of the FGIC Insured Bonds is due by reason of call for redemption (other than mandatory sinking fund redemption), acceleration or other advancement of maturity, and with respect to interest, the stated date for payment of such interest.

Upon receipt of telephonic or telegraphic notice, subsequently confirmed in writing, or written notice by registered or certified mail, from a Bondholder or the Trustee to Financial Guaranty that the required payment of principal, accreted value or interest (as applicable) has not been made by the Issuer to the Trustee, Financial Guaranty on the due date of such payment or within one business day after receipt of notice of such nonpayment, whichever is later, will make a deposit of funds, in an account with U.S. Bank Trust National Association, or its successor as its agent (the "Fiscal Agent"), sufficient to make the portion of such payment not paid by the Issuer. Upon presentation to the Fiscal Agent of evidence satisfactory to it of the Bondholder's right to receive such payment and any appropriate instruments of assignment required to vest all of such Bondholder's right to such payment in Financial Guaranty, the Fiscal Agent will disburse such amount to the Bondholder.

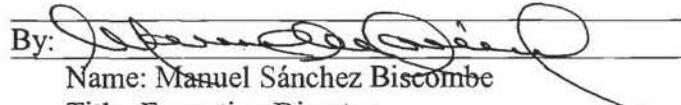

As used herein the term "Bondholder" means the person other than the Issuer or the borrower(s) of bond proceeds who at the time of nonpayment of an FGIC Insured Bond is entitled under the terms of such FGIC Insured Bond to payment thereof.

The policy is non-cancellable for any reason.
